

Crowd-Sourcing / OutSourcing QC
@ IQuOD-4, Tokyo
2016.10.05

- **IQuOD:** Which of the many IQuOD tasks can we crowd-source?
 - IQuOD Tasks:
 - Duplicate Checking
 - Finding and Instrument Uncertainties
 - Etc ... (need more tasks)
 - How do we define crowd, and do we define how broad “crowd” is depending on the task?
